

**ENTHOUGHT**  
**PYTHON INTEGRATION TOOLKIT FOR LABVIEW**  
**ACADEMIC SUBSCRIPTION LICENSE AGREEMENT**

This Enthought Python Integration Toolkit for Labview Academic Subscription License Agreement (the "Agreement") is between Enthought, Inc., a Delaware corporation ("Enthought") and the licensee subscriber who accepts the terms of this Agreement (the "Customer"). The effective date of this Agreement (the "Effective Date") is the earlier of the date Customer accepts this Agreement or the first date Customer's use of the Software or Premium Features. Please read this Agreement carefully before using the Software or Premium Features. By clicking to accept these terms, installing, or using the Software or Premium Features, Customer signifies its assent to and acceptance of all the terms of this Agreement. If Customer does not accept the terms of this Agreement, then Customer must not Access, install or use the Software or Premium Features.

**1. Definitions**

The following terms, when capitalized, are defined as follows:

- a) "Access" or "Accessing" shall mean accessing, installing, using, or viewing the Software or any other proprietary information owned by Enthought.
- b) "Python Integration Toolkit for Labview", "PITL", or "Software" shall mean Enthought's proprietary Python Integration Toolkit, Canopy software, and related intellectual property that are licensed to Customer hereunder.
- c) "Premium Features" shall mean Enthought's proprietary Data Import Tool, debugger, and tested Third Party Software package update service that are licensed and subscribed to by Customer hereunder.
- d) "Evaluation Term" shall mean the period from the Effective Date through the date that is thirty (30) days after the Effective Date.
- e) "Subscription Term" shall be any additional one-year terms (each, a "Subscription Term") from the end of the Evaluation Term or any subsequent Subscription Term.
- f) "Stated Purpose" shall mean (i) for the Evaluation Term the individual use of the Software and Premium Features by a properly licensed User to evaluate the Software and Premium Features for potential license purchase hereunder and (ii) for a Subscription Term the individual use of the Software and Premium Features by a properly licensed User solely for instructional and academic research purposes at Customer's institution.
- g) "Third Party Software" shall mean any and all third party software and related intellectual property, whether proprietary or open source, distributed to Customer by Enthought under this Agreement.
- h) "User" shall mean each single individual faculty member, graduate student, post-doctoral student and researcher authorized per the terms, conditions and restrictions herein, to Access and use the Software and Premium Features.

Other capitalized terms used in this Agreement are defined in the context in which they are used and shall have the meanings indicated by such use.

**2. PITL User License**

Commencing on the Effective Date, and subject to Customer's full compliance with the terms and conditions of this Agreement, Enthought grants Customer the following licenses:

- a) "PITL User License" – Enthought grants Customer a personal, non-exclusive, non-transferable, non-sublicensable, perpetual license for one (1) User to install and use PITL for User's individual use, for the Stated Purpose, on up to three (3) computers. A separate PITL User License is required for each User of PITL in the event multiple Users use PITL on a single computer.
- b) "Premium Feature User License Subscription" or "Premium Feature License" – For the Evaluation Term and any paid Subscription Term, Enthought grants Customer a personal, non-exclusive, non-transferable, non-sublicensable license for one (1) User to install and use the Premium Features for User's individual use, for the Stated Purpose, on up to three (3) computers. A separate Premium Feature License is required for each User of Premium Features in the event multiple Users use Premium Features on a single computer.

**3. License Restrictions**

Except for the express licenses granted to Customer in Section 2, Enthought does not grant to Customer any other licenses, whether express or implied, to Software or Premium Features or any other proprietary information owned by Enthought. Notwithstanding any other provision of this Agreement, neither Customer nor any User shall:

- a) Modify, disassemble, de-compile, reverse engineer, or otherwise attempt to determine the source code or protocols from the object code of Software or Premium Features, or knowingly permit or encourage any third party to do so.
- b) Use Software or Premium Features in any manner to provide service bureau, time-sharing or other computer services to third parties.
- c) Use Software or Premium Features, or allow the transfer, transmission, export, or re-export of Software or portion thereof in violation of any export control laws or regulations administered by any government agency.
- d) Remove, modify or obscure any copyright, trademark, legal notices, or other proprietary notations.
- e) Distribute Software or Premium Features, in part or in whole except as permitted in Section 5 herein.

The Customer represents and warrants to Enthought that Customer will comply at all times with the terms of this Agreement and all applicable laws and regulations in using the Software and Premium Features. If Customer or any authorized Users uses the Software or Premium Features in an unlawful manner, for unlawful purposes or in any way that does not comply with this Agreement or all applicable laws and regulations, then the applicable licenses may be revoked by Enthought and, in such event, Customer and its authorized Users will immediately cease any use of the Software and Premium Features. The provisions of this Section 3 shall survive any termination or expiration of this Agreement.

#### **4. Third Party Software**

Under this Agreement, Enthought will distribute certain Third Party Software to Customer, consisting of third party proprietary and open source packages from the Python Community. Enthought gratefully acknowledges the significant contributions of the Third Party Software authors. A listing of the Third Party Software distributed hereunder and made available to Customer as part of the product installation can be found at <https://www.enthought.com/products/canopy/package-index>. Each Third Party Software license is included with the applicable component, and is also available upon written request. Customer's rights in the Third Party Software are governed by and subject to the terms and conditions set forth in the applicable third party license(s). Customer acknowledges and agrees to fully comply with such terms and conditions. IN ADDITION TO ANY DISCLAIMERS SET FORTH IN SUCH TERMS AND CONDITIONS, THE DISCLAIMERS SET FORTH AND THE LIMITATIONS OF LIABILITY SET FORTH HEREIN SHALL APPLY TO ENTHOUGHT AND ITS LICENSORS WITH RESPECT TO SUCH THIRD PARTY SOFTWARE. ENTHOUGHT IS NOT OBLIGATED TO PROVIDE SUPPORT SERVICES FOR ANY SUCH THIRD PARTY SOFTWARE UNLESS EXPRESSLY AGREED TO IN WRITING UNDER A SEPARATE AGREEMENT. For further information about the Third Party Software please contact [support@enthought.com](mailto:support@enthought.com).

#### **5. Distribution**

This Agreement does NOT permit distribution of PITL or Premium Features, in part or in whole, at any time.

Customer may install, on up to three (3) individual computing devices, standalone executable files created using PITL comprised of the following components of the PITL Software: integration toolkit, Python distribution(s), and Third Party Software packages (collectively, "Deployment Bundles"). Rights to Install Deployment Bundles on more than three computing devices are available under separate license. Contact [info@enthought.com](mailto:info@enthought.com) for more information.

Customer may distribute Third Party Software under this Agreement to the extent permitted under the licenses for the applicable Third Party Software packages, provided that Customer prominently acknowledges the use of Enthought products in any software application, documentation, and in any end-user licenses.

#### **6. License Subscription Fee**

Customer may use the Software and Premium Features for the Stated Purpose at no charge during the Evaluation Term. The licenses granted hereunder shall expire and automatically terminate at the end of the Evaluation Term, unless Customer has paid the then current license subscription fee, plus any applicable taxes, levies, duties, assessments and custom fees (collectively, the "License Subscription Fee") prior to the expiration of the Evaluation Term.

#### **7. Verification**

Customer shall be responsible for its Users' compliance with the terms and conditions set forth herein. Customer is responsible for implementing reasonable means to monitor compliance with this Agreement.

#### **8. Maintenance, Support, and Premium Features**

Pursuant to this Agreement, during the Evaluation Term Enthought shall provide maintenance and support services, and access to Premium Features for Customer:

Maintenance – Enthought shall distribute periodic updates to the Software and Premium Features, if and when available.

Support – support services are provided Monday through Friday, during normal business hours (8:00am to 5:00pm Central Standard Time), excluding holidays. Support services shall include the following:

- Email-based and phone-based installation and technical support
- Access to Enthought's Canopy subscription library
- Access to the Enthought Knowledge Base at the Enthought website
- Access to the latest Software releases

Premium Features – includes Enthought's proprietary Data Import Tool, debugger, and tested Third Party Software package update service.

Maintenance, support, and Access to the Software and Premium Features shall expire at the end of the Evaluation Term. Customer may continue to receive maintenance, support and Access to the Software and Premium Features for the first Subscription Term by remitting the then current License Subscription Fee. Upon expiration of the first Subscription Term and any Subscription Term thereafter, Customer may continue to receive maintenance, support and Access to Premium Features by remitting the then current support fee ("Support Fee") prior to the expiration of the current term.

## **9. Term and Termination**

The Term of this Agreement shall commence on the Effective Date and shall remain in effect through the Evaluation Term and any Subscription Term. Customer may terminate this Agreement by sending notice of cancellation to [support@enthought.com](mailto:support@enthought.com). Such Customer initiated termination of this Agreement will be effective at the end of Customer's current term for which the License Subscription Fee or Support Fee has been paid. Customer will not be entitled to any refund of any portion of the fees paid hereunder.

Enthought may terminate this Agreement if Customer fails to pay any amounts due and payable, or upon Customer's breach of any of the terms and conditions of this Agreement.

Upon termination of this Agreement, Customer and its authorized Users will immediately cease any Access or use of the Premium Features. Customer may continue to use PITL, but Enthought shall no longer be obligated to provide any maintenance, support, Premium Features, or package update services. Customer's obligation to pay any amounts due as of termination or expiration shall survive, and Customer will not be entitled to any refund of any portion of any fees paid hereunder. Enthought will have no further obligation or liability to Customer after such termination. In addition, upon termination or expiration, Sections 3, 4, 6, 7, 9-15 shall survive. All other rights and obligations shall cease and be of no further force or effect.

## **10. Intellectual Property, Ownership and Marks**

Enthought and its licensors reserves all rights in the Software and Premium Features and all related intellectual property rights not expressly granted to Customer in this Agreement. No right or license, express or implied, is granted in this Agreement for the use of any Enthought trade names, service marks or trademarks. Enthought shall also own and retain ownership of all right, title, and interest in and to any ideas, suggestions, or feedback relating to the Software or Premium Features ("Feedback") and all intellectual property rights embodied within the foregoing. Customer hereby irrevocably assigns and agrees to assign all of its right, title, and interest in and to any Feedback to Enthought.

## **11. Confidentiality**

Customer acknowledges and agrees that the Software and Premium Features constitute valid, proprietary trade secrets of Enthought, and is protected by copyright law. Customer shall hold the Software and Premium Features in strict confidence except as required to exercise Customer's rights granted expressly herein. Customer shall promptly report a breach of this Section 11 to Enthought.

## **12. DISCLAIMER AND LIMITATIONS OF LIABILITY**

THE SOFTWARE AND PREMIUM FEATURES ARE PROVIDED "AS IS." ENTHOUGHT MAKES AND CUSTOMER RECEIVES NO WARRANTY EXPRESSED OR IMPLIED, AND ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY OF DATA, NON-INFRINGEMENT AND NON-INTERFERENCE ARE HEREBY DISCLAIMED. ENTHOUGHT SHALL HAVE NO LIABILITY WITH RESPECT TO ITS OBLIGATIONS UNDER THIS AGREEMENT OR THE SOFTWARE OR PREMIUM FEATURES DELIVERED HEREUNDER FOR ANY CONSEQUENTIAL, INDIRECT, PUNITIVE, SPECIAL, EXEMPLARY OR INCIDENTAL DAMAGES EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL ENTHOUGHT'S LIABILITY UNDER OR RELATED TO THIS AGREEMENT EXCEED THE AMOUNT OF FEES PAID TO ENTHOUGHT BY CUSTOMER HEREUNDER.

## **13. Indemnity**

Enthought will defend Customer against any action brought against Customer by a third party to the extent that it is based on a claim that the Software or Premium Features infringe a United States copyright, patent or other property right, and indemnify and hold Customer harmless against any and all costs, damages and expenses (including reasonable legal fees) ("Losses") finally awarded against Customer by a court of competent jurisdiction or agreed to in a written settlement agreement signed by Enthought arising directly out of such claim. The foregoing is subject to the following: (a) Customer must notify Enthought promptly, in writing, of the claim, (b) Enthought shall have sole control of the defense of any such claim and all related settlement negotiations, and (c) Customer shall provide Enthought with reasonable assistance and information and authority to perform the above.

Notwithstanding this general indemnity, Enthought shall have no liability for any claim of infringement based on (i) use of a superseded or altered release of the Software or Premium Features, (ii) the combination, operation or use of the Software or Premium Features with programs or data not furnished by Enthought if such infringement would have been avoided by the use of the Software or Premium Features without such programs or data, (iii) any modification of the Software or Premium Features, (iv) any unauthorized use of the Software or Premium Features, or (v) any Third Party Software.

If, due to a claim contemplated above or the threat thereof, (i) the Software or Premium Features is held by a court of competent jurisdiction, or in Enthought's reasonable judgment may be held to infringe by such a court, or (ii) Customer receives a valid court order enjoining Customer from using any of the Software or Premium Features, or in Enthought's reasonable judgment Customer may receive such an order, Enthought shall in its reasonable judgment, and at its expense, (a) procure for Customer the right to continue using such Software or Premium Features, or (b) replace or modify the Software or Premium Features to make it non-infringing. If neither of the above options are or would likely be available on a basis that Enthought believes to be commercially reasonable, then Enthought may terminate this Agreement and refund any un-used portion of the License Subscription Fee paid by Customer. THIS SECTION STATES ENTHOUGHT'S ENTIRE LIABILITY AND CUSTOMER'S EXCLUSIVE REMEDY FOR ANY CLAIM OF INFRINGEMENT.

#### 14. Remedies

The parties agree that due to the proprietary nature and high value of the Software and Premium Features, any breach of this Agreement by Customer will result in irreparable injury to Enthought that cannot be compensated solely by damages. Therefore, Enthought shall be entitled to seek and obtain injunctive relief to protect the Software and Premium Features without posting bond. In addition to its other remedies, Enthought shall also be entitled to recover its attorneys' fees and costs in connection with enforcement of this Agreement and collection of damages related thereto.

#### 15. General

- a) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas without giving effect to any body of law or precedent relating to conflicts of law, and all disputes arising under this Agreement shall be brought exclusively in a federal or state court located in Travis County, Texas. Customer consents to the personal jurisdiction of such courts, and hereby waives any objection to the venue of such courts.
- b) Assignment. Customer shall not assign any of its rights hereunder without the prior written permission of Enthought. Such permission shall not be unreasonably withheld.
- c) Severability. In the event that any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions of this Agreement will remain in full force and effect.
- d) U.S. Government Restricted Rights. In the event Customer is an agency, department, or other entity of the United States Government ("Government"), the use, duplication, reproduction, release, modification, disclosure, or transfer of the Software and Premium Features, or any related documentation of any kind, including technical data or manuals, is restricted in accordance with Federal Acquisition Regulation 12.212 (as amended or supplanted) for civilian agencies and Defense Federal Acquisition Regulation Supplement 227.7202 (as amended or supplanted) for military agencies. The Software is commercial computer software and the related documentation is commercial computer software documentation. The use of the Software and Premium Features and related documentation is further restricted in accordance with the terms of this Agreement, or any modification hereto. The Contractor/Manufacturer is Enthought, Inc., 200 West Cesar Chavez, Suite 202, Austin, Texas, U.S.A. 78701.
- e) Export Restrictions. The Software is subject to the United States Export Administration Regulations. The following table sets forth the export control status for the Software:

<u>Enthought Product</u>	<u>ECCN</u>	<u>License</u>
Canopy	EAR99	No License Required

This export control classification is for software which uses encryption technology and is eligible for export to all countries, with certain exceptions. Enthought products with this classification contain ancillary cryptography due to the inclusion of OpenSSL open source software. Since the Software is not primarily useful for communication, Enthought has self-classified the OpenSSL component as EAR99. Further, pursuant to License Exception TSU - §742.14(b), the OpenSSL component of the Software can be exported as NLR, no license required except to those countries embargoed by the United States. By accepting this Agreement, you warrant and represent to Enthought that you will comply with all applicable export regulations for the Software as described and incorporated by reference herein.

- f) Entire Agreement. Each party acknowledges that it has read and understands this Agreement and agrees to be bound by its terms. This Agreement constitutes the complete Agreement between the parties and supersedes all previous agreements or representations, written or oral, with respect to the Software and Premium Features. This Agreement may not be modified or amended except in writing signed by a duly authorized representative of each party. In the event the terms of this Agreement and the terms by Customer conflict, the terms of this Agreement shall govern.
- g) Force Majeure. Dates or times by which Enthought is required to make performance under this Agreement shall be postponed automatically to the extent that Enthought is prevented from meeting them by causes beyond its reasonable control.
- h) Waiver. The waiver or failure of Enthought to exercise in any respect any right provided for in this Agreement shall not be deemed a waiver of any further right hereunder.
